Mr. Archibald R. Watson
County Clerk, New York County
County Court House
60 Centre Street
New York 7, New York

Dear Mr. Watson:

During the temporary absence of [REDACTED] from Washington, I am replying in his behalf to a notice received from the County Clerk of New York County addressed to [REDACTED]. The notice requested information from Mr. Wolf on or before October 15, 1951, in connection with the revision of jury lists.

At the present time [REDACTED] owns a home at [REDACTED] and is with the Central Intelligence Agency in the senior capacity of a deputy director. [REDACTED] left New York and his duties there in view of the national emergency. His continued presence in Washington and service with this Agency are of national importance, and contribute materially to the current defense effort of the U. S. Government.

In consideration of these facts, it would seem appropriate that [REDACTED] name be deleted from the jury list. There are other more appropriate and pertinent personal circumstances, I know, which [REDACTED] could relay to you himself, and if this is necessary, [REDACTED] will, of course, furnish such information to you on his return.

In the meantime I would very much appreciate hearing from you on this matter.

Yours very truly,

/s/

[REDACTED]
Acting Deputy Director
